Nisarga Batika School | For Experiential Learning

Nisarga Batika School believes in all round development of a child with the emphasis on academic and athletic achievements as well as creativity.

At senior high school, scholarships are available based on academic merit, talent and need. The scholarship is given to meritorious students to acknowledge and foster achievements. Scholarships are given to those that excel in academics, arts and sports. The school committee decides on the scholarship (up to 75%) based on certification and presented needs. Scholarships will be awarded on an annual basis and the students must continue to attend regular classes and maintain a minimum GPA as per the school policies.
